

# ESAB FR Welding Fleece

## FR Clothing Range form ESAB

The new ESAB FR Black Flame retardant, anti static, welders Fleece is designed entirely with the welders comfort in mind.

This is an ideal garment to wear under a welding jacket or coverall when working outdoors in a colder environment.

The technical material is very soft, making it very comfortable to wear. The stand up, zipped collar will protect that “easy to burn neck area.

Fully conforms to EN ISO11612 FR, ISO11611 Welding, EN1149-5 Anti Static.

- Inherently flame retardant
- Anti static
- Draw cord hem with anchored spring loaded toggles
- Two front pockets
- Elasticated cuffs
- Stand up collar
- Zip front with over placket

ISO 11612 FLAME RETARDANT

ISO 11611 WELDING STANDARD
