PRINTER
BTP-1

Enhance your welding workflow with our compact and efficient Bluetooth printer, designed specifically for generating welding reports and documentation on the spot. This thermal line printer produces clear, professional-quality tickets, ensuring seamless record-keeping directly from your power source.

Perfect for welding professionals and industrial applications, this printer ensures accurate and immediate documentation—anytime, anywhere!

TECHNICAL DATA

- Print method: Line thermal printer
- Paper width: 57 mm
- Print width: 48 mm
- Max diameter of paper roll: 40 mm
- Print speed: 90 mm/s
- Interface: Bluetooth, Mini USB
- Power: 1500 mAh 7,4V 11,1 Wh rechargeable Lithium battery
- rechargeable adapter: Stand by recharging / AC adapter
- Dimensions:
  - 79 x 110 x 45 mm / 3.11 x 4.33 x 1.77 in (printer)
  - 300 x 270 x 110 mm / 11.81 x 10.63 x 4.33 in (transport case)
- Weight:
  - 235 gr / 0.52 lbs (printer without paper roll)
  - 1,4 kg / 3.09 lbs (transport case with printer and accessories)

PACKAGE

- AC adapter for easy charging
- Removable battery for added flexibility
- Bluetooth dongle for seamless connection to the RC Mini or CompactOne
- 3 paper rolls for immediate use
- Protective transport case for secure storage and portability
